

# Welcome to Madrid

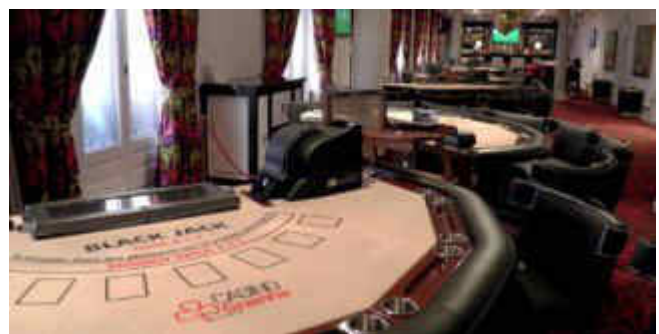

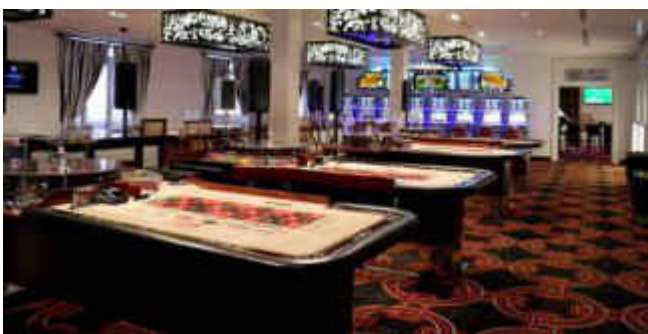

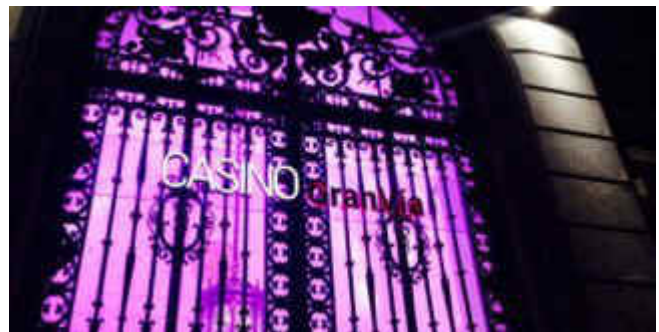

**This Casino is located in the heart of the Gran Vía in a luxury art decó building built between 1919 and 1924, which used to be the headquarters of the Trade and Industrial Circle, and which has been declared Artistic Heritage.**

The Casino is divided into three floors devoted to gambling, where you can choose from American and French roulette, traditional Baccarat, Poker and Black Jack tables, as well as a wide and innovative range of slot machines and electronic roulette wheels.

It also has a variety of catering areas, consisting of the Trade Circle Restaurant, The Cupula bar lounge (located on the top floor, reserved for events), the Gran Vía Lights Cocktail Bar and an extensive snack menu to enjoy in the Gaming Room.

It is also possible to reserve its spaces to hold private or company events.

The same building also houses the [Hotel Círculo Gran Vía](#), partially renovated in 2017 and exclusively for adults, the only Hotel Casino in Madrid.
