

Welcome to Madrid

Sala Vesta, a venue for all types of sounds and events, is located in the place that used to be home to one of the most prestigious jazz clubs in Madrid, the now disappeared Bogui Jazz.

From music by the most acclaimed to the most innovative music groups, DJ or jam sessions, are some of the many musical activities on the agenda at this hall, which boasts excellent acoustics and capacity for 174 people. However, it is not all music at Vesta. There is also room for open micros, comedy shows, podcasts with a live audience or hilarious nights of cabaret and burlesque, among other new experiences and ideas.
